Shipping to the USA

Effective November 6th, 2026

We've recently experienced challenges with shipping to the USA due to the tariff regulation changes. In an effort to prevent delays and continue sending you the freshest Greaves products, our team has decided to pause all USA bound orders until this issue is resolved.

Please know we are looking at solutions to move our packages across the border and hopefully there will be a resolution in the near future. We ask for your patience and understanding while we work through these challenges.

Thank you for supporting Greaves Jams here in Niagara-on-the-Lake, Canada!

Kindly,
The Greaves Jams Team

Shipping to Canada

Effective November 5th, 2025

We're happy to share that both Canada Post and CANPAR shipping carriers are operating as normal.

*Please note: Street addresses are required when selecting CANPAR as a carrier as CANPAR is unable to deliver to P.O. boxes.
