

Wine and Hot Pepper Jellies

We are proud to offer our premium wine and hot pepper jellies beautifully packaged with gold foil embossing. We have developed these products using only the finest local Chateau des Charmes wines and St. David's hydroponic fresh peppers, both located in Niagara-on-the-Lake. We pride ourselves in using only pure ingredients and each jar of wine jellies contains 100ml wine in each 250ml jar! Our pepper jellies are mildly spicy, using fresh peppers and two types of dried hot peppers. Enjoy! Flavours Available in 64ml (96/cs) and 250ml (12/cs) sizes:

Cabernet Red Wine Jelly
 Riesling White Wine Jelly
 Vidal Ice Wine Jelly (64ml and 125ml only)
